

Program Outcomes
ADN Program

Program Outcome	Expected Level of Achievement
Program Completion Rate	Forty five percent (45%) of ADN and BSN students will successfully complete the respected programs of study within the expected timeframe.
Board of Nursing Pass Rate for First-Time Candidates	Graduates of the ADN and BSN programs are prepared with entry-level knowledge to fulfill the requirements of the Licensure Exam to practice safe, quality nursing care. The licensure exam pass rates will be at or above the national mean (Puerto Rico) for first-time test-takers during the same 12-month period.
Job Placement Rate	Graduates of the ADN and BSN programs have opportunities to successfully obtain employment as registered nurses. Eighty percent (80%) of graduates will have employment in nursing within the first year after graduation.

Performance on Licensure Examination		
Expected Level of Achievement	Year	Licensure Examination Pass Rate
		ADN
Graduates of the ADN and BSN programs are prepared with entry-level knowledge to fulfill the requirements of the Licensure Exam to practice safe, quality nursing care. The licensure exam pass rates will be at or above the national mean (Puerto Rico) for first-time test-takers during the same 12-month period.	2018	<p style="text-align: center;">UAGM 72%</p> <p style="text-align: center;">PR mean: 58%</p>
